Create new account

Follow the directions for creating a new user account:

- Select the program of your choice from the options listed.
- Enter your email address – please note that this will be the main email contact the admissions coordinator will have.
- Make sure you enter your name and date of birth exactly as it is written in your passport.

Continue to fill the rest of the fields; please note that fields marked with an asterisk (*) are required.

When you finish, click on the "Create new account" button.

You will then receive a confirmation email. You will need to click on the first link to create a password and to continue with the registration process.

After setting your password, you will be able to log in to your account through the main page of the online application system or by clicking on the second link.

Choose a password and confirm it by entering it in the "Confirm password" box. Passwords must contain at least 6 characters including lowercase letters, uppercase letters, numbers and punctuation.

- It is important to upload a passport sized photo of yourself.
- Choose the requested faculty.
- Enter the semester you want to enroll in and fill in specific dates, if you know them.

Note the required fields that are required such as "Passport number".

These instructions are designed to help you complete the online application as smoothly as possible. We recommend referring to each of the steps in the following order:

1) Personal Information

2) Education

3) Student Profile

4) Recommendations

5) Payment

You have now entered the online application system. All steps of the application process can be viewed at the top of the page. Navigate from page to page in order. Follow these 5 simple stages and press "save and go to next page" button as you complete each section.
